SUPPLEMENTARY INFORMATION:

I. Abstract

This information collection, JSC Form 1625, has to do with operational groups

at JSC and other NASA centers, NASA contractors, subcontractors, and vendors to provide descriptions of radioactive items used in or supplied for human space missions or approved JSC projects. The form also provides records of accountability, responsibility, transfer, location, and disposition of these items.

II. Method of Collection

The form, which is now available electronically, accompanies a physical shipment of nuclear materials and requires recipients to confirm shipment receipt. Converting the form to an electronic format and making it available on line has significantly reduced the burden of information gathering for respondents.

III. Data

Title: Radioactive Material Transfer Receipt.

OMB Number: 2700-0007.

Type of review: Renewal without change of Currently Approved Collection.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 25.

Estimated Total Annual Burden Hours: 10.

Estimated Total Annual Cost to Government: \$10,000.

IV. Request for Comments

SUPPLEMENTARY INFORMATION:

I. Abstract

The National Aeronautics and Space Administration (NASA) is requesting renewal of an existing collection that is used to help NASA to assess the services provided by its procurement offices. The NASA Procurement Customer Survey is used to determine whether NASA's Procurement Offices are providing an acceptable level of service to the business/educational community, and if not, which areas need improvement. Respondents will be business concerns and educational institutions that have been awarded a NASA procurement, or are interested in receiving such an award.

II. Method of Collection

NASA uses electronic methods to collect information from collection respondents.

III. Data

Title: NASA Procurement Customer Survey.

OMB Number: 2700-0101.

Type of review: Extension of a currently approved collection.
